SATURDAY CLUB

Formation & Membership

The Club began in 1975 with Alan & Grace Easton as Formation Conveners. The aim was for all interested parishioners to meet socially on the **first Saturday evening of each month** for the purpose of fellowship and fun. This objective has been resoundingly achieved for over 40 years and is still going strong. Membership has always exceeded 60 and is currently at 72.

Hilltop Market

Saturday Club has always accepted responsibility for the Christmas Stall and many members have contributed time and talents to it over the years. It has consistently contributed over \$1500 towards the overall market success.

Weekends Away

In addition to normal monthly meetings/outings, there has nearly always been at least one annual weekend away. For 22 years Gwenda & Geoff Smith arranged a Labour Day weekend at Tawonga in N/E Victoria. Some 15 other locations around Victoria have also experienced our Saturday Club enthusiasm, recent ones being Hepburn Springs, Marysville, Hall's Gap, Warburton, Lorne and Avenel. Much fun, fellowship and excitement for all involved.

Evening Meetings and Outings

Monthly meetings / Outings are organised by individual members/couples under umbrella co-ordination of an annual convener – all members have contributed multiple times over the years. Speakers, games, films, parties, live shows, tourist reports – you name it! An annual highlight has been our break-up Christmas Party with its entertainment.

Join us for lots of fun
